

# Increase Personnel Vaccination Compliance with "I Got My Flu Shot" Stickers

## Spread the word—not the flu

Many healthcare organizations now require their workforce to get the flu vaccination, OR to wear a mask and gloves at all times, which can lead to an unfriendly and unapproachable environment for patients. Flu shots not only keep your staff healthy, but also encourage a comfortable environment for patients. Protect your staff from catching the flu and missing work with flu vaccinations.

## Promote flu vaccinations in your organization with these handy stickers.

- Identify and Recognize Personnel in Compliance
- Help Improve Compliance Rates
- Encourage Staff and Patients to Vaccinate
- Customize Labels for Your Organization
